For TUV India Pvt. Ltd.
Mumbai, 2022-03-02

This Certificate is part of a full audit report, annexure 01 of this certificate and should be read in conjunction with it. This Certificate remains the property of TUV India Pvt. Ltd and shall be returned upon request. TUVI expressly disclaims any liability or co-responsibility for any decision a person or entity would make based on this Type-I Certification which follows requirements of ISO 14024:2018. The use of this Certificate is subjected to the Environment Labelling Programme Terms and Conditions. The manufacturer is solely responsible for compliance of any product that has the same designation as the product type-audited. Energy efficiency of the product is considered as primary criteria while eco labelling criteria is secondary criteria. TUVI has certified product based on the claims made by ELGI in form of various submitted documents. Validity of given Certificate is subject to the annual surveillance. Person relying on this certificate should verify its validity by checking with energy@tuv-nord.com.
