Implementation

To implement Company's CSR programmes through Company's employees or through external implementing agencies or through registered trusts, foundations and charitable organisations as may be decided by Company from time to time. In such cases, Company will specify the CSR programmes which may be undertaken by those trusts in accordance with their objects and administrative and accounting processes laid down in the respective trust deeds/memoranda and articles of association.

Governance

1. Every year, the CSR committee of the board of directors of Company will place for the board's approval, a CSR plan delineating the CSR programmes to be carried out during the financial year and the specified budgets thereof. The board will consider and approve the CSR plan with any modifications that may be deemed necessary.

2. The CSR committee will assign the task of implementation of the CSR plan within specified budgets and timeframes to such persons or bodies as it may deem fit.

3. The persons/bodies to which the implementation is assigned will carry out such CSR programmes as determined by the CSR committee within the specified budgets and timeframes and report back to the CSR committee on the progress thereon at such frequency as the CSR committee may direct.

4. The CSR committee shall review the implementation of the CSR programmes once in a year and issue necessary directions from time to time to ensure orderly and efficient execution of the CSR programmes in accordance with this policy.

5. Once in six months, such persons or bodies will provide a status update to the CSR committee on the progress and implementation of the approved CSR programmes carried out during the six month period. It shall be the responsibility of

the CSR committee to review such reports and keep the board apprised of the status of implementation of the same.

6. At the end of every financial year, the CSR committee will submit its report to the board.

CSR Expenditure

As a policy, Company has been expending up to 4% of its profits before tax every year towards CSR activities for very many years now. Though the endeavour is to continue the spend year after year, the expenditure may not be uniform for all coming years as the percentage of allocation for CSR activities is directly co-related to the profits of Company. CSR expenditure will include all expenditure, direct or indirect, incurred by Company on CSR programmes undertaken in accordance with approved CSR plan.

Disclosure

This policy along with changes, if any, from time to time, should be placed on the Company's website.
